IMPORTANT TIPS:

- Press 'escape' key to pull up the game menu anytime during except in battles. You can check items possessed by your par in the inventory, equip/remove weapons and armors, see stat inflicted and general stats of your party, use particular skills team members (e.g. heal), save the game (recommended afte minutes to save game progress in case of power loss, sudden shutdowns or unexpected battles where you're unprepared) o game.
- Since the game offers four game play modes and weapons to the beginning, so the things like special weapon related powe or gold collectible may vary accordingly.
- The enemies drop non-usable items like blue gem, etc. you c those items at shops to increase your gold. Also each shop has value of each good. So find the shop which buys your items at price for profit. Mercantile skill once learned can help you se higher prices and buy items at lower prices.
