About This Game

"How to Take Off Your Mask" is a cute fantasy visual novel with one romancable guy.

STORY

This is Leezera, the capital of Eroolia.

Lilia is just an ordinary girl who works in a bakery.

She spends every day happily with her clumsy childhood friend, Ronan.

One day Lilia finds her body has shrunk.

Moreover, she has grown cat ears and a tail?!

She doesn't know that she's actually a lucretia, a half-human and half-cat creature.

She panics, jumps out through her room's window, and runs towards the town.

And the first person she bumps into is the reliable city guard, Ronan.

The mask of "Big Sis" and "Lucretia Girl" she wears.

The mask of "Lil Bro" and "City Guard" he wears.

Which one of them will be taken off first?
