The image shows a screenshot of the FullProf Suite software interface. The main window displays a diffraction pattern with a red curve and a blue baseline. A smaller window titled "Editor of PCR Files" is open, showing a similar pattern and a sidebar with various settings like "General", "Patterns", "Phases", "Refinement", "Constraints", "Box/Restrains", and "Output". The status bar at the bottom indicates "Profiles: 0 Phases: 0 24/ 8/2016 16:16:41".
